CONNECTING COMMUNITIES TO AUSTRALIA

Dear Yellow Dove Australia Community,

We are thrilled to announce the successful delivery of washing machines to families in Wiluna, a project made possible through the generous collaboration between Yellow Dove Australia and Kocreate.

Kocreate's event night in April 2024 was a remarkable success, raising \$1800, which was used to purchase two premium washing machines. Due to logistics and transport challenges, the machines have finally been delivered to the families in need as of July 19th, 2024.

A heartfelt thank you goes out to the Bevan and Hera at the Shire of Wiluna for their patience and support in holding the goods until delivery could be arranged. We extend our deepest gratitude to Anne-Marie from the Shire, for her efforts in transporting the machines to Wiluna from Kalgoorlie (10 hour return trip) and to Mr. Wayne from Wiluna Remote Community School for assisting in their delivery on the day.

CONNECTING COMMUNITIES TO AUSTRALIA

Rheumatic heart disease (RHD) is a significant issue in remote and underserved areas, and access to washing machines will play a crucial role in creating healthy, safe, and secure environments for families and children. By ensuring clean clothes and bedding, these machines will help in reducing the risk of infections and illnesses, allowing children to attend school regularly and thrive in their educational pursuits.

We look forward to building on the success of this project with future initiatives that further our commitment to community development and collaboration. Thank you for your ongoing support and belief in the work we do at Yellow Dove Australia.

If you're interested in becoming a Yellow Dove in your community or hosting an event to bring people together, we'd love to hear from you! Please don't hesitate to reach out and email us at admin@yellowdoveaustralia.com.au

Warm regards,
